**STATEMENT OF PHILOSOPHY**

The goal of Bnos Kanfei is to provide a spectacular and uplifting environment which can enable participants to grow as people and as Jews and to get in touch with their own spirituality and connection to Hashem. It is the belief of the organizers and staff of Bnos Kanfei, that the combined experiences of pristine New Zealand skiing and the many other expanded horizons encountered on BKN, together with the unique challenges of creating a Torah true environment in these settings, can facilitate this goal. Participants should have a desire to be part of and to help build, this very special Torah environment.
